

## Steps To Join Summit Nordic Team: 2025/2026 Season

**Step #1.) Set up account(s) on SportsYou (if you don't have one already). Join the Summit Nordic account using code F2C2-7PRJ.**

All athletes AND at least one parent/guardian per family are required by the team to have a Summit Nordic SportsYou account. App notifications are the primary way team communications go out to all our athletes and families all season!

**Step #2.) Register for OISRA Nordic (BOTH your athlete and parents!!!)**

Team Skier registration is a normal on-line system with on-line payment. Late fees kick in after December 3rd. Skiers cannot attend any Summit Nordic practice or race without OISRA registration completed.

**<https://oisran.org/registration/>**

OISRA annual fee is \$45. When on the student skier registration page, you'll need to scroll down the menu of schools to find Summit Nordic (alphabetical order). OISRA Fees cover things like insurance, league organization, coach/volunteer certification, etc.. *Please note Bend-LaPine Schools covers zero of Nordic league or team costs!*

IMPORTANT: We also request that every Summit Nordic family have ALL parents/guardians fill out the **FREE on-line Volunteer Registration** when you complete your athlete's registration. Scroll to the bottom of options on the main registration page to find Volunteer Registration. This step takes only a few extra minutes & once completed adults will be automatically "cleared" to volunteer for Summit Nordic activities and at all OISRA events throughout the ski season.

**Step #3.) Pay Summit Nordic Team fees**

Team fees are \$70. Our preferred option for payment is Venmo.

**Venmo:** The Venmo user-name/handle is @SummitNordicTeam. Please include a message stating the skier's name you are paying for!!

**Step #4.) If not already, buy a \$149 Youth/Teen Season Pass @ Mt Bachelor Nordic**
